Experience a world-class education in a world-class city

International students thrive in Philadelphia's "one big campus" atmosphere of 80 colleges and universities. Here, leading universities join forces with cutting-edge businesses to provide a dynamic real-world education. As a result, students enjoy a rich blend of on-campus education and off-campus professional experiences.

Philadelphia's multi-cultural neighborhoods, food, music, theatre, and art provide an at-home level of comfort for its 12,500 international students. The renowned International House Philadelphia, with more than 150 cultural and social programs, will ease you into life in this diverse, integrated, and very welcoming city.

Look inside to discover the extensive educational opportunities available to you in Philadelphia.

PHILADELPHIA IS

onebigcampus

Discover an education where learning extends far beyond the classroom, into downtown board rooms, thriving technology firms, and state-of-the-art research laboratories. A region where universities, technology firms, and civic leaders are joining forces to turn the region into Nanotech Valley. No where else gets you this connected.
